Office Of Information Technology

Information Technology Bulletin 03-08

Subject: New OIT ListServ

The Office of Information Technology (OIT) has created a new ListServ called OIT-NOTIFICATION for use by State employees who wish to be informed electronically when technical initiatives, policies, bulletins, standards, etc. are published on the OIT web site.

Employees can self-subscribe to this ListServ by accessing the "Publications" menu item at the OIT web site, or via the following direct link

(http://www.doa.state.la.us/oit/listservpage/OIT_Electronic_notification.htm)

If unable to self-subscribe, please send an e-mail with name, agency, and phone number to oit_notify@doa.state.la.us and OIT will create the subscription.

This ListServ is designed for one-way notification only, and cannot be used for discussion between ListServ members or for feedback to OIT. The proper channel for agency feedback is via the Technical Advisory Group (http://www.doa.state.la.us/oit/committees/comm_tag.htm).
